

Perception Funding's Annual Report for 2021

As I think about the future at Perception Funding, I am amazed at what God has accomplished through us in such a short time. Our goal is simple: to equip remarkable ministries with the resources to not only fund their ministry but to grow and develop them to serve more and more people so that they can know Christ.

YOU CONTINUE TO MAKE THIS POSSIBLE! We are so proud of our ministry partners and our staff! Due to the pandemic and hard economic times in many parts of the world, we've watched our partners pivot their ministry programs to meet the new (and evolving) problems of those they serve.

This has led to new fundraising endeavors and the development of new ministry programs that our staff has been generously involved in creating.

2021 Impact

Global Giving Fund

As our organization grows, we have recognized the need to meet unforeseen expenses that arise on a regular basis for our ministry partners. We feel a burden to bear the cost of emergency situations to alleviate the pain and suffering of those in the communities we serve. Our desire is to have funds set aside, ready and available to cover the expenses of life threatening situations, emergency airfare, last minute micro loans, and, urgently, military grade satellite phones. Additionally, we want to be able to provide funding to help our ministry partners rebuild their ministries once they find themselves dealing with the aftermath of these unfathomable situations.

New OnBoarding Process - a sign of growth

We have grown by leaps and bounds over the course of that last 4 years. With all this growth comes the onslaught of administrative tasks and many wires to keep uncrossed. Our administrative staff worked diligently in 2021 to create a brand new onboarding process for all new ministry partners. These new procedures will impact every new ministry partner in the coming years - no small impact! We are relieved to have a little direction amidst the busyness!

New Staff Added

Adding three new staff members was a much needed step for our organization. We welcomed a new Financial Operations Coordinator, and two Partner Care Specialists. These additions have allowed us to welcome more ministry partners, and helped our organization to grow in a healthy, sustainable fashion.
